

# Mount Traber Bible Camp PROJECT DONATION FORM

**(COMPLETED) Project # 1: Mission House Project** – The historic Mission House at MTBC needs some long overdue repair. If not addressed, the structure will suffer and become unusable. We need to replace windows, an exterior door, wall structures, insulation, and siding.

**Project # 2: “New” Swimming Pool Project** – The old swimming pool has served the camp faithfully for many years, however it is not going to be able to do another summer. So we are fundraising toward the installation of a 30 x 60 in-ground pool.

**Project # 3: Barn Project** – As our horse program is rapidly growing we are in major need of a new barn. We plan to include an indoor ring so our horse program is not affected by weather conditions.

**Project # 4: Cabin Renovation Project** – New windows, a few doors, new decks and some TLC would make a world of difference to these cabins. We also hope to insulate some cabins so they can be used in the cooler months and to keep them cool in the hot summer months.
